Long woodland trails, hills, views, villages

In Brief

This is a monster figure-of-eight walk that combines two other walks in this series. You need to browse, print or download the following additional walks:

[Hindhead and Chiddingfold](#)

[Chiddingfold, Alfold, Forests and Canal](#)

The walk takes you on an amazing fairly straight journey west-to-east down from the west Surrey hills through forest and more forest to the Wealden village of Alfold. Although the return journey follows a roughly similar route, the terrain is very different with even deeper forest and views southwards.

You can also treat this walk as *two linear walks*, with transport back to the start, or an overnight stay. The **eastward** walk (to Alfold) is 18½ km=12 miles in total while the **westward** walk (to Hindhead) is 22½ km=14 miles.

Warning! This is a *very long walk* and you should not attempt it unless you are physically fit and have back-up support.

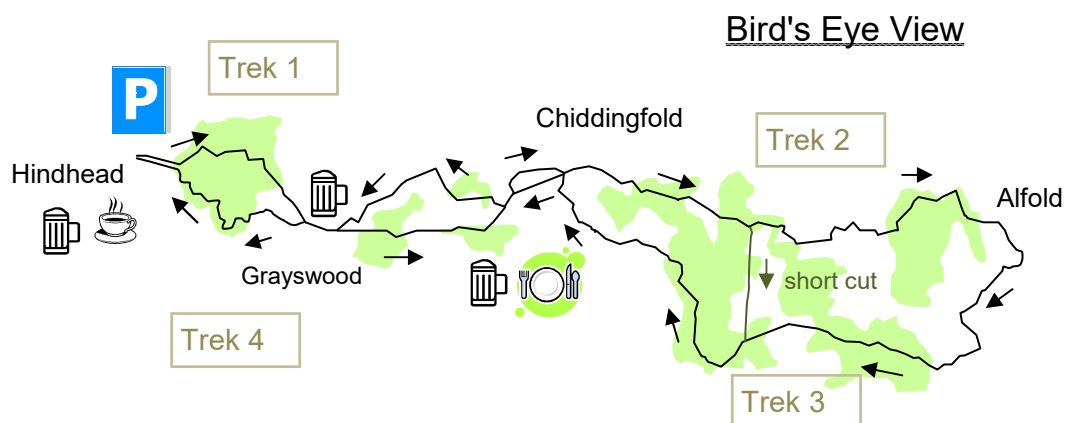

Boots are recommended because of the length of this walk. A walking pole is also recommended. This monster walk is not suitable for your pet.

There are no nettles or briars to speak of.

The walk begins at the National Trust **Punch Bowl** car park at **Hindhead**, just off the A3, **postcode GU26 6AB** (small charge for non-NT members). You can also start in **Alfold (postcode GU6 8ET)**, with a middle break in Hindhead. For more details, see **Getting There** at the end of the text of the first walk.
